2 I consider ~~that~~ for the present it is not advisable to do away with ~~the~~ official element represented by the Amildars and Deputy Amildars of Taluk. As vacancies occur in this class they will be filled up by nomination of non official members wherever ~~that~~ can be done.

3. Among the members recommended to represent the several Taluks and Sub-Taluks of this District ~~all but~~ only many those for the Chickanaikanhalli and Maddagiri Taluks and for the Turvekere Sub-Taluk are men that are newly recommended The others are already on the Board and the appointment of those for Kunigal, Tumkur and Sira have been recently sanctioned by Government.

4. In making these recommendations I have tried to retain the present constitution of the Board as far as possible and very little change has been introduced. This latter can be done later on when the working of the new rules

Letter No 228 Dated 18th/25th November 1903 from the President Tumkur District Board submitting proposals for the constitution of the District Board under the Local Boards Regulation, 11 of 1902 and the Rules framed thereunder .

Order thereon 2360 & 21/12/03
27-78-03

It is observed that under clauses (b) and (c) of section 8 of the Rules , all Assistant Comrs.in revenue charge of Taluks , the Assistant Comr. at the District Head quarters not placed in Revenue charge of a Taluk and the Chief or Senior Officer of the District in each of the departments of Medical Relief , Engineering and Education are to be ex-officio members but ~~as~~ the list received with the above does not include these Officers .

2. As regards members under clause (E) representing interests or communities in the District not already sufficiently represented , it is noted that the members falling under this clause should not be officials but non-officials as this clause as well as clause (d) occur under " other members" as opposed to "ex-officio"and moreover the ~~fixed~~ proportion of 1:2 fixed between

between officials and non-official
members in section 4 of the Regulation
will be violated , as according to the
present proposal, there will be 15
officials and 10 non-officials .
The President is therefore requested
to study the Rules carefully and sub-
very early revised
mit proposals quite in accordance there-
with. The question which Ananthars
should be allowed a place in the
Board is requiring attention but in
the meantime, no time should be lost in
constituting the Board
Secretary. 5/12/03 in strict accordance
with the Regulation &
To 7/12/03. Rules thereunder.
The President , Tumkur District
Board.

Already much
time has been lost.
